Forecast for Friday 16 Jul 2021

Weather: Any early morning mist will soon clear with largely clear skies and an ample supply of sunshine across the Brecon Beacons. A small amount of fair weather cloud may bubble up during the course of the afternoon but this will not persist into the evening.

Chance of cloud free mountain/hill tops above 600m: 100% throughout

Visibility: Generally good but poor in any patches of mist early morning. Visibilities becoming excellent with clear views of distant hills, small risk cloud during the afternoon but with bases above the height of summits.

Meteorologist's View

High UV levels are likely to be very high, so sun protection is recommended if you plan to spend much of the day in the mountains. It will also feel very warm even on the hills, so do consider hydration.

Recent rainfall: measured at Neuadd: altitude 353m

Recorded at	Last 24 hours:	Last 48 hours:	Last 72 hours:
14:00 on Wed 14 Jul 2021	0mm	9.6mm	21.8mm
